

AP 204 LEARNING RESOURCES

Background

In alignment with Board of Education policies, the Cowichan Valley School District promotes the development of a resource-rich learning environment in its schools by providing a wide variety of learning materials to meet student needs. Learning resources include the following:

1. Provincially recommended learning resources
2. Locally approved learning resources
3. Library materials

The Ministry of Education and Child Care no longer conducts evaluations to recommend learning resources, and revised the Provincial Learning Resource Policy in July 2017: <https://www2.gov.bc.ca/gov/content/education-training/k-12/administration/legislation-policy/public-schools/learning-resources>

The Superintendent has responsibility for resource evaluation.
