Learn Through Play

Your health and safety are important to us

- Before attending please complete a daily health assessment. Please stay home if you or your child are not feeling well.
- Sanitize/wash hands upon entering the facility.
- Be snack aware, please do not bring high allergen foods into our space to help keep others safe

All Early Childhood programs are there to share ideas and answer questions about how to support your child's learning. Schedules will vary at each location but will include:

Free Play

Our StrongStart programs provide an abundant learning environment promoting social, emotional, physical, and cognitive development. Play is learning and our staff nurture childhood education to support the child in interacting with others their age. The early childhood educators help increase and support the parent-child connection.

Circle Time

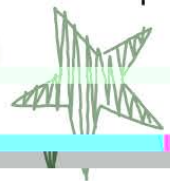

Stories, songs, and rhymes to support early literacy development.

StrongStart programs operate throughout the school year following the current school calendar for the year. The intended age level is birth to 5 years of age, along with their parent or caregiver and each program operates on a drop-in basis for families.

REGISTRATION

Registration is completed when attending for the first time. StrongStart programs request you

- Proof of Age for Child(ren) (Birth Certificate or Passport)

DETAILS

Drop-in programs for children birth to 5 years of age with their parent/caregiver.
